23"COLOR DISPLAY

JustForKicks

SOCCER TRIO

ATTRACTIVE FLASHING MARQUE and constantly moving computerized paddle batting the ball around a huge color playfield keeps players interest and your profits high.

23" MOTOROLA MONITOR with attractive full color display and one year warranty is just another World Wide first.

LIGHTED COLOR INSTRUCTIONS on the monitor turn on after each game.

NO BULBS TO BURN OUT with LED start and game select buttons. The light lasts as long as your profits, forever!

3 GAMES IN ONE creates interest for pros and amatuers alike and your World Wide Computer Tested logic board plays on and on. One year factory warranty.

25c or 50c PLAY for 1, 2, 3 or 4 players.

NEVER CHANGE A POT with exclusive Time-Pot Circuitry. Any pot plays like a champ. Clutch action to deter even the roughest players.

GENUINE FORMICA and sturdy plywood constructed cabinet will withstand all the abuse you can give it. Tempered glass for added safety.

HINGED TOP for easy access to the screen and all controls.

OPERATOR ADJUSTABLE score, free game, and speed features meet any location's needs.

STEP UP TO the first and only 23" Color display. Three in one Cocktail Video Table from WORLD WIDE
